Tech. Mandatory	2	Tm4 Wk4	Tm4 Wk4	Task going ahead as scheduled.
Visual Arts	-	-	-	Assessment complete. No more tasks.

- Please **ensure that you submit tasks on the due date.**
- **No other formal Yr 7 assessment tasks will be held in Term 4 of 2021**, apart from those listed above.
- **Informal assessment will still be used to continue to monitor student progress**, including the marking of class work, homework, quizzes, short assigned tasks and so on. You must complete these so that your teacher can write accurate reports at the end of the year.
- All Yr 7 **tasks will be designed so that students with a lack of technology can still access them**. This could mean that a task does not require the use of technology, there is the optional provision of printed material to overcome a lack of access to technology or the creation of dual tasks to account for technology and non-technology (although assessing the same outcomes with the same marking guidelines).
- **No practical tasks will be set.**
- **Notifications will be sent to be received no less than two weeks prior to the due date.** Notifications will be posted using Google Classroom and emailed / mailed home to students who have requested this. The notification will generally be attached to the actual assessment task. Carefully note and adhere to the method that tasks will be submitted. Electronic submission is preferred, but provisions will be made for physical submission also.
- **You must acknowledge receipt of assessment notifications** but the method used will vary between faculties. Look for the assessment task question on your Google Classroom.
- **If you are eligible for Disability Provisions for a task**, you will be contacted by LST or your teacher. If you are not contacted or require extra assistance, contact your teacher immediately.
- **If there is any reason you are unable to complete and submit an assessment task**, you MUST inform your teacher and seek assistance. Otherwise, you are expected to submit your work on time.
- **Contact your teacher or Mr Costa if you have any questions** about assessment for Term 4.
